Section 2 Introduction to the Hastings Trust

2.1. **Mission, aims and values of the Hastings Trust**

Our mission is:

To create active partnerships between the public, private, voluntary and community sectors to enable them to work together for the economic, environmental, cultural and social regeneration of Hastings.

Our aims are:

1. To help those who live, work or visit Hastings to care for the environment
2. To help the local economy to flourish in ways which won't spoil the place for those who come after us
3. To spread the word about how to regenerate the town and its communities

Our values, across all areas of work, are:

- A holistic approach to community-based regeneration
- Accountability
- Empowering communities
- Working in partnership
- Mutuality and co-operation
- Sustainability
- Inclusiveness

As an organisation, the Hastings Trust is committed to:

- working in partnership
- being open and accountable
- being action-oriented
- being quality led
- a diversity agenda
- retaining independence
- achieving sustainability
- aiming for self-sufficiency
- retaining its flexibility
- an inclusive approach

The Trust operates within the framework of a rolling five year business plan which is attached as Appendix 6 to this document.

2.2. Background

What is the Hastings Trust?

The Hastings Trust is a development trust set up for the regeneration of Hastings, economically, environmentally, socially and culturally. It carries out its work in partnership with others to deliver community-based regeneration.

When was the Hastings Trust formed?

The Hastings Trust was incorporated as a Company Limited by Guarantee in 1990 and registered as a charity in 1991.

The Trust was one of the first members of the Development Trusts Association. The national body for Development Trusts in the UK was formed in 1993 to support trusts and lobby at national level to influence government policy. www.dta.org.uk

Activities

The Trust works in partnership with the public, private, voluntary and community sectors and operates as a 'community anchor'. Work is delivered within five key areas, or 'building blocks' of activity:

- Asset acquisition, protection and development
- Capacity building and community development
- Providing routes out of poverty and worklessness
- Enhancing quality of life - arts, culture, environment, heritage
- Campaigning, lobbying and partnership development

The definition of a community anchor as adopted by the Community Alliance is:

"An independent community led organisation...a multi purpose organisation which provides holistic solutions to local problems and challenges, bringing out the best in people and agencies...there for the long-term, not just a quick fix...often the driving force in community renewal."

Central Government recognises the existence and importance of community anchor organisations in local regeneration and defines them as:

"Community based social enterprises which own / manage assets and act as an anchor for the provision of services / facilities for the rest of the community sector, as well as generating wealth for the community."

2.3 Legal Status

The Hastings Trust is a Registered Charity (no 1007410) and a Company Limited by Guarantee (no.2540333)

2.4 Hastings Trust Board

The Hastings Trust is led by a Board of Directors. The Trust's Board consists of twelve directors - eight elected community representatives, two organisational representatives and one nominated representative each from Hastings Borough Council and East Sussex County Council (although both Council's are reviewing their position in relation to nominated members of Boards of Third Sector Organisations).

A list of current Board members is included in Appendix 1. Our Board members live locally and all have knowledge of the Trust's work and the development trust movement, community enterprise and regeneration. The Board has overall responsibility for the strategic direction and policy of the organisation.

The Board has two sub committees: Policy & Finance and the Publicity and Promotion Committee. The Board meets quarterly, with the Finance and Policy Committee meeting between meetings to fine tune the Trust's work.

2.5 Hastings Trust Staff Team

At operational level, the Trust is led by the Executive Director, who is answerable to the Hastings Trust Board. The Director is supported by the Management Team consisting of an Assistant Director - Assets and Enterprise, a Finance and Administrative Manager, a Deputy Director - Finance and a Training and Development Co-ordinator.

The Trust employs project officers to deliver its work, all employees are directly employed by Hastings Trust. The Trust also hosts posts for partner organisations and these are also directly employed by the Trust.

A list of all staff and contact details is attached as Appendix 2. The current organisational chart is attached as Appendix 3

The Trust is ably supported by volunteers and therefore the Trust has adopted a volunteers policy which is referred to in section 4 of this document.

2.7 Planning & Strategy

An annual strategic planning away-day is held every January and includes staff, board members and volunteers. The away-day reviews progress on targets, discusses key issues and agrees future activities. From these discussions an annual action plan is produced and the Hastings Trust business plan up-dated. A copy of the current business plan is attached as Appendix 6. A copy of the current annual action plan is included in the Business Plan.

Section 3 Contractual Terms and Conditions

The terms and conditions of your employment are set out in the contract of employment offered to you.

This Section gives guidance on your contractual rights and duties (referred to in your contract of employment) and on a number of non-contractual policies. In any case of dispute over interpretation of terms and conditions the contract of employment will be the final basis for decision making.

3.1 Salary

Salaries are paid monthly two weeks in advance and two weeks in arrears on the last Friday of each month, normally by bank transfer

Hastings Trust will normally agree a cost of living allowance increase to take effect on 6th April each year, subject to the Hastings Trust's financial position.

Increments are awarded annually (usually in April) within your pay scale if you have one. To qualify for your first increment, you must have been in post for six months

3.2 Hours and Time off in lieu

All full time staff work a 37 hour working week (not including time taken off for meals). From time to time you will be required to work outside normal office hours. Working times will be arranged by your line manager, and any subsequent changes will be by mutual agreement. Time sheets are provided which need to be completed on a weekly basis and signed off monthly by your line manager.

The nature of the post may on occasion require additional hours to be worked. Time off will be allowed in lieu of extra hours worked with the prior approval of your line manager, the Assistant Director or the Executive Director. Such time off must be taken within three months, in consultation with your line manager.

3.3 Pension arrangements

The Hastings Trust will provide a contribution (currently 3%) to the Trust's stakeholder pension scheme, subject to the contribution being matched by you. The Hastings Trust's contribution is payable after and from the date of the successful completion of your probationary period.

Further details are available from Peta McGarry, the Finance and Administrative Manager at 35 Robertson Street.

3.4 Leave arrangements

All leave dates must be arranged with and agreed by your line manager and the Executive Director.

3.4.1 Annual leave

Full time staff are entitled to 27 days (pro rata for part time staff) paid leave in each leave year, in addition to Bank Holidays.

The Trust also gives extra days' paid leave for the shut down period between Christmas and the New Year ("grace days").

The leave year runs from 1 April to 31 March and the annual holiday should normally be taken within that year. Outstanding leave will not normally be rolled over into the next year unless there are exceptional circumstances which must be agreed with the Executive Director in consultation with the Chair of the Board. Staff will not normally be allowed to take leave at the time of the Trust's AGM in the first week of September each year except in exceptional circumstances.

All annual leave must be recorded on the Leave Sheet (Appendix 6), authorised by your Line Manager, and communicated to the Finance and Administrative Manager.

On giving or being given notice of termination of employment you will, at the Hastings Trust's discretion:

- be paid for any days untaken leave entitlement or
- take the remaining leave.

Normal practice is that staff take the remaining leave.

A deduction will be made by Hastings Trust in your final pay for any leave taken in excess of your entitlement.

If you leave without giving due notice or are dismissed for gross misconduct you will lose your entitlement to accrued holiday pay.

3.4.2 Public duties

You will be allowed reasonable time off to undertake public duties, such as Jury Service, on proof of evidence. You are required to claim attendance

allowances, loss of earnings, and expenses as may be possible in the circumstances and to remit them to the Hastings Trust.

3.4.3 Maternity and Parental Leave

You will be granted maternity and parental leave in accordance with the appropriate statutory entitlements. Details of the current entitlement are available from the Finance and Administrative Manager at 35 Robertson Street and are detailed in the relevant Policy documents.

3.4.4 Dependent's Leave

You are entitled to a reasonable period off work to deal with emergencies involving a dependent, who could include a partner, child, parent or somebody who lives with you as part of your family. The time off work must be agreed by your Line Manager or the Executive Director.

3.4.5 Compassionate Leave

Each request for compassionate leave will be considered on its own merits without recourse to any precedent, and leave may be granted with or without pay or on reduced pay. Requests must be made through your Line Manager to the Executive Director.

3.4.6 Extended leave

The Hastings Trust will give consideration to staff with families abroad to take up to one month's additional unpaid leave to visit their families. Timing of this leave must be agreed as far as possible in advance, but in any case not less than one month in advance. Requests must be made through your Line Manager to the Executive Director.

3.4.6 Sick Leave

If you are prevented from attending work through sickness or injury you should notify your line manager before 10 am, if possible, on the first day of absence and indicate the anticipated duration of your absence. If possible, inform your manager of any urgent work matters that need attention in your absence. If it is not possible to contact your Line Manager, then you must contact the Finance and Administrative Manager at 35 Robertson Street.

After one working week's absence (e.g. 5 working days' for full time staff), you must obtain a doctor's certificate and send it to the Administrative and Finance Manager at 35 Roberson Street. You should forward any subsequent certificates in the same way.

You must keep your line manager informed regularly of progress and of the expected date and time of return to work as soon as is practicably possible.

Regardless of the length of your sick leave, on your return to work you will be asked to complete a self-certification form. You must pass this form immediately to the Finance and Administrative Manager at 35 Robertson Street. A copy of the self certification form is attached as Appendix 6.

3.5 Expenses

Expenses should be claimed monthly on the attached expense form. Further details of eligible expenses and procedures for claiming are contained within the Trust's Financial Operating Procedures (Appendix 5)

3.6 Probationary Period

There is a probationary period of three months for all posts. There will be review at the end of this period with your line manager at which point your employment will be confirmed. Where performance is not satisfactory, performance improvement targets will be set and the probationary period extended by a further three months, or, in very exceptional circumstances, employment terminated.

3.7 Notice

The period of written notice you are required to give to the Hastings Trust and the notice you are entitled to receive from the Hastings Trust is as follows:

During your probationary period:	1 week's notice
After completing your probationary period and up to the completion of 2 years' service:	4 weeks' notice
For each further year of complete service:	1 week for each additional year of completed service up to a total of 12 weeks.

You may only give a shorter period of notice with the written agreement of the Hastings Trust.

3.8 Private Work

If you wish to undertake any private paid or voluntary work you are required to supply full details to your Line Manager and via your Manager seek the approval of the Executive Director before entering into any contract or agreement.

3.9 Copyright

Copyright, registered and unregistered design rights and any other intellectual property rights in any materials in any medium produced by you during the course of your employment shall belong to the Hastings Trust. You must return all such materials and any copies in your possession to the Hastings Trust on request.

3.10 Confidentiality

You must not disclose any confidential information arising out of your employment at any time. The Hastings Trust has also adopted a “Whistle-Blowing” Policy (See Section 4 of this Handbook).

Section 4

Employee Relations and Trust Policies

This Section gives details of a number of non-contractual policies relating to employee relations and Trust procedures. In any case of dispute over interpretation of terms and conditions the contract of employment will be the final basis for decision making.

All staff members are expected to familiarise themselves with Trust policies which are held in the Policy File in the Admin Office (second floor, 35 Robertson Street) and in the shared folder on the Trust's Intranet.

Trust policies are reviewed and updated by the Board of Directors on a rolling basis.

The following policies are currently adopted by the Trust:

Section 5

Staff Support and Management

This section details staff support and management procedures within the Trust that all staff have a right to expect from a good employer, along with the expectations that the Trust has of its staff in relation to conduct. This includes:

- staff induction
- equal opportunities
- supervision and performance appraisal
- training and development
- management competencies
- code of conduct for all staff

5.1 Staff Induction

Every new member of staff and those returning after a long absence will have a personal induction programme. This will be drawn up by your line manager and the Finance and Administrative Manager at 35 Robertson Street.

The programme and its length will depend on the post and is provided so that you gain:

- An overview of the organisation, current objective, priorities and structures
- Information that you need immediately in order to do your job
- To give you information relating to the terms and conditions of your contract of employment
- To provide you with the current Hastings Trust policies and - procedures (as detailed in Section 4 of this Handbook)

Your line manager will discuss the induction and its progress in your review meetings and will use the Hastings Trust's check lists (non exhaustive list) to plan your induction.

Before any new staff member commences employment, the Executive Director, Finance and Administrative Manager, along with the Line Manager, will ensure that the following preparatory procedures are followed:

	<i>Responsibility</i>	<i>Date completed</i>
<i>Office space</i>	<i>ED / Line Manager</i>	
<i>ICT: equipment, email address</i>	<i>Finance and Admin</i>

5.2 Equal Opportunities

The Board of Hastings Trust believes that the issue of equal opportunities is fundamental to the Hastings Trust's work and that the organisation's effectiveness can be measured by its fulfillment of the principles underlying this statement.

The Hastings Trust is committed to making equality of opportunity and anti-discriminatory practice effective in all spheres of its work and structure and to encouraging its members to address the issues of equal opportunities and challenge breaches / discriminatory practice both internal and external.

The activities and policies of Hastings Trust will be regularly monitored to ensure that the Equal Opportunities Policy Statement is adhered to and that any breaches that arise are remedied.

All staff members are required to read, understand, and comply with the Equal Opportunities Policy.

5.3 Staff supervision and appraisal

The Hastings Trust aims to provide all staff and volunteers with consistent and high quality support and performance reviews.

Hastings Trust recognises that in order for all staff members to achieve their full potential and perform to the best of their ability, they should have a say in the style of their management. The Trust provides a formal staff supervision system and encourages all managers to adopt an 'open door policy' to ensure that issues that arise can be addressed at the earliest opportunity.

All staff can expect to have formal 'one-to-ones' to review progress against annual performance appraisals and to address issues and concerns on at least a bi-monthly basis. In addition, staff are encouraged to negotiate appropriate support, which may be on a less formal basis, with their line manager, and, where appropriate, with their peers.

The Trust's Executive Director operates an open door policy (within reasonable limitations) and encourages all staff to communicate directly if required without undermining any line management responsibilities of managers.

In addition to monthly support / supervision sessions, all staff will be required to participate in an annual performance appraisal process. If required by the staff member this can be held on a bi-annual basis. The purpose of this review is:

1. To provide an opportunity for staff to discuss and plan their work
2. To discuss staff development and to agree training needs
3. To set and monitor targets, in line with the strategic plan of the organisation
4. To exchange information

The following set of management competencies is expected to be evident collectively within the management team:

The ability to:

- communicate effectively the vision of change and modernisation to employees
- strive for continuous performance improvement and service development
- delegate responsibility, providing support and guidance to develop team members
- recognise and celebrate team / individual accomplishments at all levels regularly
- foster participation and involvement of staff by providing opportunities for them to be creative and innovative when identifying solutions and smarter working practices
- act as a role model of behaviour and values for the Trust both internally and externally
- stimulate and encourage collaboration and partnership working to facilitate improved service delivery
- maintain determination and drive through periods of change, presenting a positive and self assured image in a range of situations
- effectively co-ordinate the activities of multi-disciplines employees working on high-level tasks to meet prescribed service objectives within well defined parameters.

5.5 Training and Development

Hastings Trust recognises the contribution employees make to its success. It also recognises that in order to maintain a committed and competent

workforce, it needs to ensure that adequate training and development is provided for all employees.

The purpose of the Trust’s training and development policy is to ensure that:

- a) employees are properly trained in the skills they need to carry out their present jobs to a standard acceptable to Hastings Trust and its members
- b) employees are provided with the skills they may need for changes in the way jobs are carried out
- c) as far as possible, employees are encouraged to develop their skills and talents to enable them to progress within the Trust and to realise their full potential

The Trust is committed to making the most effective use of the talents, skills and abilities of its workforce and to helping all employees maximise the contribution they can make. To demonstrate its commitment, the Trust has formalised its training through its adopted policy and through the allocation of specific budget resources.

The following Training and Development Request form should be completed as a record of requests for training and should be passed to your line manager. The form is available on the Trust’s intranet.

Following completion of training and development activities personnel are required to complete a simple questionnaire which is followed up three months later by an impact questionnaire (both of which are available on the Trust intranet and reproduced in the appendices to this handbook) which should be completed in consultation with your line manager. This is to ensure that training and development opportunities provided are appropriate, meet needs and expectations and help staff / volunteers to meet personal and organisational objectives.

5.5.1 Investors in People

Hastings Trust has Investors in People status. The Investors in People Standard is a business improvement tool designed to advance an organisation's performance through its people.

Developed in 1990 by a partnership of leading businesses and national organisations, the Standard helps organisations to improve performance and realise objectives through the management and development of their people.

Investors in People provides a flexible framework, which any organisation can adapt for its own requirements. It mirrors the business planning cycle (Plan, Do, Review), making it clear for organisations to follow and implement in their own planning cycle.

The Investors in People Standard is based on three key principles:

- **Plan** - Developing strategies to improve the performance of the organisation
- **Do** - Taking action to improve the performance of the organisation
- **Review** - Evaluating the impact on the performance of the organisation.

Details of the standard are available on the Trust's Intranet and included as an Appendix to this handbook.

5.6 Staff Code of conduct

Hastings Trust Ltd recognises that the service delivery, and the continued success of the Company, is dependent on the quality and reliability of the input of staff at every level.

Hastings Trust Ltd:

- operates a no-smoking policy in all its premises.
- has in place policies and procedures to underpin the way in which the service will develop and to maintain high standards (as detailed in Section 4 of this Staff Handbook). All staff are expected to be

familiar with the provisions within these policies and procedures and to work within the guidelines laid down within them.

- does not allow the consumption of alcohol or illegal drugs whilst on duty, or for staff to be under the influence of alcohol or drugs whilst on duty.
- provides appropriate training to support and enhance people's existing skills and to enable their career progression.
- expects that all staff act in a professional manner whilst at work using appropriate language and actions at all times.
- expects that staff will dress appropriately for meetings with all partners and client groups, taking into consideration different cultural practices. In the office, clean and smart-casual is acceptable.
- has in place a system of Quality Assurance, which all staff are expected to commit to and contribute to the achievement of the highest quality of service.
- has in place an efficient complaints procedure.
- has in place a fair and effective disciplinary procedure.

5.7 Exit Interviews

When you leave the employment of Hastings Trust, we will carry out an exit interview to review your experience and receive comments and suggestions. The interview will be carried out by a senior manager who has not been your line manager.

Section 6

Finance and ICT

6.1 Finance Department

The Deputy Director - Finance and the Finance and Administrative Manager are based at 35 Robertson Street. Their working hours are:

Peta McGarry Finance Officer Mon - Fri 9am - 5pm

Vinyo Aidam Deputy Director Thursdays 9am - 5pm

Our Treasurer is Eileen Masters. The Policy & Finance Committee receive detailed reports on all aspects of finance and financial management, and Treasury Team meetings are held in advance of Policy & Finance Committee Meetings including all those named above and the Executive Director.

6.2 Annual Financial Process

A draft budget is drawn up in January/February of each year. It is considered by the Finance & Finance Committee in February and formally agreed by the Board in March.

6.3 Financial Procedures

The Trust has comprehensive Financial Operating Procedures (See attached at Appendix 7).

6.4 Travel and Subsistence Allowances

All personal expenditure incurred on Hastings Trust business must be authorised in advance by your Line Manager or the Executive Director.

6.4.1 Travel and Overnight Subsistence

Staff travelling on official business should use standard class rail travelling facilities wherever possible. Members of staff who travel by taxi, first class rail, private cars, or air will be reimbursed at standard class public transport rates.

Employees who, by reason of Hastings Trust business, are required to travel away from home or normal place of work, for over-night stays, will receive a subsistence allowance of £ 6.50 per day. This should be agreed in advance,

with your Line Manager or the Executive Director. Hotel accommodation must be agreed in advance of making any bookings.

6.4.2 Private Car Allowance

Petrol expenses will be reimbursed at a rate of 37p per mile.

6.4.3 Meal Allowance and Day Subsistence

If for any reason of approved Hastings Trust business, employees are obliged to have meals away from home, reimbursement may be claimed, provided receipts are produced. Hastings Trust will reimburse staff to a maximum of:

- £6.00 for Breakfast
- £6.00 for Lunch
- £9.00 for Dinner (where absence extends beyond 7 p.m. and occurs away from the main place of work).

6.5 Use of Hastings Trust Property or Equipment for Private Communications

While there is no wish to charge employees for occasional brief private use of telephone, e-mail, or internet facilities, such use should not present an unacceptable charge on Hastings Trust in terms either of money or of working time lost. In cases of misuse the privilege may be withdrawn. Any private post must be pre-paid before being left for collection. Intentional misuse of Hastings Trust's postal facilities will be treated as a serious disciplinary matter.

6.5.1 ICT Network Security Policy

All employees personal computers have access to the internet and Hastings Trust intranet. Brief private use of the internet during the lunch period or before or after working hours is acceptable as long as inappropriate material is not involved. Deliberate access to pornographic or other unacceptable material is not permitted and will lead to disciplinary action, including dismissal. On no account may anything be placed on the internet from Hastings Trust's facilities which is illegal or could be judged to be inappropriate and nothing must be transmitted which might call the good name of Hastings Trust into question.

No personal software may be loaded onto Hastings Trust's computers.

6.5.2 Telephone

Employees may make or receive occasional brief private telephone calls. Any private calls not of a brief or local nature must be made by public pay phones. Personal mobile phones should be switched to discreet or vibrate whilst in the office, and turned off during meetings.

Where Hastings Trust provides mobile phones for lone workers or those who have to travel for Hastings Trust business, employees may make or receive occasional brief private calls made per Hastings Trust telephone procedure above.

6.5.3 E-mail

Although Hastings Trust's computer networks enable e-mail and other messages to be sent very cheaply, e.g. using shared network drives, they can be expensive in terms of time both for the sender and the recipients. Employees are asked to use the facility sensitively, not to mail large groups when only smaller groups are involved, and never to send or pass on messages or files that could be offensive. The normal courtesies of face to face communication also apply to e-mail messages.

6.6 Bringing Personal Property/Belongings into Hastings Trust

6.6.1 Electrical Equipment in Hastings Trust

All electrical appliances in Hastings Trust must be PAT (Portable Appliance Test) tested in accordance with Hastings Trust's Health & Safety Policy. Staff should, therefore, refrain from bringing any personal electrical appliances (i.e. lap-tops, stereo's to the workplace.

6.6.2 Thefts of Personal Belongings

All members of staff are asked to be aware of opportunist thieves. It is important to note that Hastings Trust is not liable for thefts of personal belongings, under any circumstances, of any member of staff that are brought into the building. Therefore, we recommend that employees refrain from bringing in expensive personal property, i.e., CD walkmans, i-pods, cameras, etc. If it is necessary to bring in such items, please ensure they are put in a safe, secure place. We recommend that only insured personal belongings are brought into work.

6.7 Data Protection Guidelines

The proper safeguards for data protection include the **Data Protection Act 1998 (2)** [which replaced the previous Act of 1984] and context specific legislation and codes of practice.

The principles of the act are:

- Fairness data shall be processed fairly and lawfully
- Specificity data shall be obtained only for one or more specified and lawful purposes and not processed further in any incompatible manner
- Adequacy data should be adequate, relevant and not excessive in relation to the purpose
- Retention data must not be retained longer than necessary
- Rights of subjects - subjects have rights of access
- must be able to prevent processing if damage likely
- must be able to prevent processing for direct marketing

- have rights in relation to automated decision making
- Security data must be subjected to appropriate technical and organisational methods
- Transfer data must not be transferred to a non-'European Economic Area' country unless that country has an adequate level of protection for the personal data of data subjects

All 'relevant data filing systems' are now included, manual ones as well as those held on computer. All organisations which hold such relevant data filing systems have to register with the Data Protection Commissioner. The Trust is registered and the Finance and Administration Manager is the named officer.
